LIFE INSURANCE If you carry a life insurance policy in what is known as an Old Line Company as distinguished from Fraternal, Assessment, and Industrial Companies, and the policy has been in force for three years or more, we will make you a lean equal to the cash surrender value of the policy without delay. Simply bring the policy and the last premium receipt and you can get the money at once.

Of course, you could get the money from the Insurance Company, but it usually takes from a week to ten days to hear from them, whereas we make the loan immediately. These loans are allowed to run indefinitely, so long as you keep up the interest and the premiums on the policy.
